A bark application will reduce weeds, protect plants from draught and frost and will rebirth your yard like new.

### OUTDOOR COVERED LIVING AREA

A well-designed outdoor covered living area will be a valuable addition to any home. With careful design consideration, covered living areas can be extended to allow indoor activities to take place outdoors during the spring, summer and fall months. During winter, an outdoor covered living area can serve as an attractive view and offer promises of fun and casual living for the warmer months ahead.

**Options for outdoor living areas include:**

- Design Layouts
- Covered Patio/Decks
- Barbecue Shelters
- Outdoor Kitchens
- Retaining walls
- Fireplaces
- Seating Areas
- Planters
- Fountains
- Walkways

### HOME REPAIR & SMALL REMODELS
